Raving Fans

"Arvee Robinson is one of the top speaker trainers in the world. I highly recommend her programs to anyone who wants to become a great front of the room speaker."

- Eric Lofholm, President, Eric Lofholm International

"Arvee's powerful presentation tips are helping me to grow my business. Her teachings on creating a magnetic 30 second introduction helped me to articulate more powerfully and persuasively the benefits of my service when speaking in front of prospects and referral sources. I highly recommend her to any professional looking to make powerful presentations. Her energy level and enthusiasm alone are worth the price of admission!"

- Jonathan Goldhill, President, The Growth Coach

"Although I had been a University lecturer and an active member in Toastmasters International, I knew that I needed a specialized presentation coach. She is definitely knowledgeable about the use of visual aids and about the sales and relationship building processes. Arvee showed me how to be persuasive and how to connect with an audience of prospective buyers. I definitely received my money's worth by participating in her program."

- Revel Miller, PhD, Psychologist, Executive Coach, Revel Miller Consulting

Persuasive Speaking Products

Home Study Course

Many professionals, business owners and entrepreneurs are terrified to speak in front of groups. Yet, speaking is the easiest and most effective way to attract clients and customers. Arvee Robinson, persuasive speaking coach, speaker and author, captivates her audiences with high-energy, high-content, interactive presentations filled with stories and role-plays. Her audiences have fun while learning workable strategies they can put into action immediately. She presents energizing motivational keynotes and content-rich educational programs to conferences, retreats, and on-site programs. She has shared the stage with speaking giants Dottie Walters, Eric Lofholm, John Childers, Dave Lakhani, Sheryl Roush and many others.

As an in-demand speaking coach in the business world, Arvee shows service professionals, business owners and entrepreneurs how to attract more clients by clearly communicating how their services benefit their customers. She teaches her clients a simple, proven system for delivering persuasive business speeches, getting the most out of networking and creating magnetic introductions. Arvee has helped hundreds of individuals eliminate nervousness, command their audiences' attention, and deliver sales-winning presentations.

Prior to becoming a speaking coach, Arvee worked for 22 years as a systems consultant and trusted advisor to her clients. At large CPA firms such as Deloitte and RSM McGladrey, she trained many professionals in the technology field, both in seminars and one-on-one.

Arvee is a Distinguished Toastmaster, the highest achievement in Toastmasters International, an organization dedicated to teaching individuals speaking and leadership skills. In 2005, during her term as Division Governor in charge of over 45 clubs, Arvee lead her division to Presidents Distinguished status and received the prestigious *Governor of the Year Award*. Today, she continues to enjoy being a long-time member of and mentor for her Toastmasters Club.

Arvee has published articles in two books, the #1 bestseller *Live the Life You Love and Inspiration to Realization*. She hosts *Passionately Speaking*, her own weekly teleseminar series, specifically designed for people who want to learn the secrets of persuasive speaking and use them to attract clients and grow their businesses. She has also hosted several cable TV talk shows on *Inside the Inland Valley*, a show dedicated to promoting local businesses, and has been interviewed on countless radio shows, teleseminars, and webinars.

When Arvee is not speaking, training, or coaching, she runs. She is a member and mentor of Team in Training (TNT), which trains individuals to run a marathon in exchange for raising funds for *The Leukemia and Lymphoma Society*. Arvee is now training to run in her third full marathon. Last year her team raised over a million dollars to help find a cure for blood cancers.
